

## **Keane - Broken Toy**

Intro: D7 / Eb x4 Come rain come shine C7M G I think you know, because it's all new What good does it do C7M The people you love, are hard to find I guess i'm a toy that is broken So I think if i, were in your shoes I guess we're just older now C7M C I would be kind Who says a river can't leave it's waters And look out for you Who say you walk in a line Bb Eb Who says a city can't change it's borders Come rain come shine Bb What good does it do Who says your mine I guess i'm a toy that is broken And look out for you I guess we're just older now Come rain come shine What good does it do I want to stay, another season C7M C7M G See summer upon, this sorry land I guess i'm the record your tired of C7M I guess were just older now So don't dust off your gun, without a reason I guess i'm a toy that is broken You understand I guess were just older now And look out for you - tabbed by Aerobil -

## **Acordes**
