

Keane - Clear Skies

Tom: C

(Am Bm)
High on the bell tower
I took my view
Over the downtowns
On the avenues

(Am Bm)
Where the streets are wide
And the people thrive
And it's further to fall down
Cause you fly so high

(Am Bm)
I've never seen such beauty
I've never seen such clear skies
I've never seen such high hopes
I've never seen such tired eyes

F7M Am G
And I wish that I could be
Everything you are
Am G
Everything you are

(Am Bm)
Down in the delta
The city wakes
Turns on the TV
As the levy breaks

(Am Bm)
Where the streets are burned
From the hot summer sun
And there's nowhere to run to
When your time has come

(Am Bm)
I've never seen such beauty
I've never seen such clear skies
I've never seen such high hopes
I've never seen such tired eyes

(Am Bm)

Loop the loops up piece by piece
All that flashing all over me
Took my pills and went to sleep
Oh, and I sang myself to sleep

F7M Am G
And I wish that I could be

F7M
Everything you are
Am G
Everything you are

F7M Am G
And I wish that I could see

F7M
The world the way you do
Am G

As selfishly as you
Oooh

Solo 12x: Am Bm

F7M Am G
And I wish that I could be

F7M
Everything you are
Am G
Everything you are

F7M G
And I wish that I could stick

F7M
My faith the way you do
Am G

As certainly as you

F7M Am G
Clear skies going to fall on you

F7M Am G
Clear skies going to fall on you

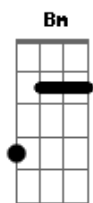

F7M Am G
Clear skies going to fall on you

F7M Am G
On you, on you.

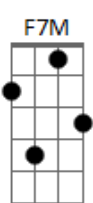

F7M Am G
Clear skies going to fall on you

F7M Am G
Clear skies
