

Keane - Clear Skies

Tom: C

(Am Bm)
 High on the bell tower
 I took my view
 Over the downtowns
 On the avenues

(Am Bm)
 Where the streets are wide
 And the people thrive
 And it's further to fall down
 Cause you fly so high

(Am Bm)
 I've never seen such beauty
 I've never seen such clear skies
 I've never seen such high hopes
 I've never seen such tired eyes

F7M Am G
 And I wish that I could be
 Everything you are
 Am G
 Everything you are

(Am Bm)
 Down in the delta
 The city wakes
 Turns on the TV
 As the levy breaks

(Am Bm)
 Where the streets are burned
 From the hot summer sun
 And there's nowhere to run to
 When your time has come

(Am Bm)
 I've never seen such beauty
 I've never seen such clear skies
 I've never seen such high hopes
 I've never seen such tired eyes

(Am Bm)

Loop the loops up piece by piece
 All that flashing all over me
 Took my pills and went to sleep
 Oh, and I sang myself to sleep

F7M Am G
 And I wish that I could be
 F7M
 Everything you are
 Am G
 Everything you are
 F7M Am G
 And I wish that I could see
 F7M
 The world the way you do
 Am G
 As selfishly as you
 Oooh

Solo 12x: Am Bm

F7M Am G
 And I wish that I could be
 F7M
 Everything you are
 Am G
 Everything you are
 F7M G
 And I wish that I could stick
 F7M
 My faith the way you do

Am G
 As certainly as you
 F7M Am G
 Clear skies going to fall on you
 F7M Am G
 Clear skies going to fall on you
 F7M Am G
 Clear skies going to fall on you
 F7M Am G
 Clear skies going to fall on you
 On you, on you.
 F7M Am G
 Clear skies going to fall on you
 F7M Am G
 Clear skies
