I'm not the man to ask but I

When each time you give your heart

Dbm Abm A B

Sorrow is never far behind

But it's love actually love

B Bbm7 A7M

That you must find

E B Dbm

Love actually love

B Bbm7 A7M E7M

That you must find

Abm B E

I know it's a long cold road

Abm B A

And if you can't see your way

Dbm Abm A B

I'll be your sight where eyes are blind

E B Dbm

For it's love actually love

B Bbm7 A7M

That you must find

E B Dbm

Love actually love

B Bbm7 A7M

That you must find

( E7M Abm B E )  
( Abm B A )  
( Dbm Abm A B E7M )

Abm B E

And if you should think of me cold

Abm B A

Born with a heart of stone

Dbm Abm A B

Look at my eyes and read my mind

E B Dbm

For it's love actually love

B Bbm7 A7M

That you will find

E B Dbm

Love actually love
