

Keane - My Shadow

Tom: A

(D7M A Gbm E)
 It's time to make a start
 To get to know your heart
 Time to show your face
 Time to take your place

(D7M A Gbm E)
 In every speck of dust
 In every universe
 When you feel most alone
 You will not be alone

Just shine a light on me
 Shine a light

I'll shine a light on you
 Shine a light

And you will see my shadow
 On every wall

And you will see my footprints
 On every floor

(D7M A Gbm E)

(D7M A Gbm E)
 It only takes a spark
 To tear the world apart
 These tiny little things
 That make it all begin

Just shine a light on me
 Shine a light

I'll shine a light on you

Shine a light

And you will see my shadow
 On every wall

And you will see my reflection
 In your freefall

(Gbm E D)
 Ooooooooooh
 Ooh ooh
 Ooooooooooh
 Ooooh ooh

Just shine a light on me
 Shine a light

I'll shine a light on you
 Shine a light

Cuz when your back's against the wall

That's when you show no fear at all

And when you're running out of time

That's when you hitch your star to mine

We won't be leaving by the same road (4x)
 That we came by

Ooooooooooh
 Ooh ooh
 Ooooooooooh
 Ooooh ooh ooh
