

Keane - Put It Behind You

Tom: C

C Dm
Times goes by at such a pace

F G
It's funny how it's easy to forget her face

C Dm
You hide the cracks, the facts will find you

F G
Turn your back and leave the lonely days behind you now

Gb
You better it put it behind you now

Am
You better it put it behind you now

C Em F
Too much to hold on, hold on to

Gb
You better it put it behind you now

C Dm
All the things you took for granted

F G
Hit you like a bullet in the gut

C
You can't get up

Dm
Well, are you gonna even try?

F
'Cause if you never even try

G F
Time will pass you by

Gb
You better it put it behind you now

Am
You better it put it behind you now

C Em F
Too much to hold on, hold on to

Gb
You better it put it behind you now

Am
You better it put it behind you now

C Em F
Too much to hold on, to hold on to

Gb
You better do what's best for you

Dm G
Don't care what she said

F Am
It's only in your head

Dm G
Time will help you out

F Am F
Still you don't see how

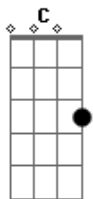

Gb
You better it put it behind you now

Am
You better it put it behind you now

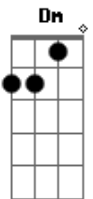

C Em F
Too much to hold on, to hold on to

Gb
You better do what's best for you
