

Keane - Something In Me Was Dying

Tom: G

INTRO (4x):

G G Bm | Bm Bmadd9- |

VERSE 1:

 G Bm7
 Something in me was dying
 C Em D
 And my heart was heavy as stone
 C Em
 Hard as i was trying
 Am D ...
 I never could find, find my way home

And your voice came out of nowhere
 Be my friend and give me your hand
 Let's take off together
 And then we can live wherever we land

2x INTRO CHORDS

VERSE 2: (the same chords as verse 1)

 Something in me was broken
 And my thoughts were bitter and ill
 My world was blown open
 And I couldn't see and i couldn't feel

You said be yourself and think of me
 And you'll know there's nothing to fear
 Let's make plans together
 It's time to move on and get out of here

BRIDGE:

 Am G
 Girl i need you
 C Am
 Don't know what I would do

Am D G G (G)
 Will you see the story through

Am G
 It's a cruel world
 C Am
 And I need somewhere to hide
 Am Bm7
 But time goes by
 C D
 And your still on my side

VERSE 3: (the same chords as verse 1)

 Something in me was sinking
 Cause my heart was heavy as stone
 I gave up with thinking
 I never would find, find my way home

And your voice came out of nowhere
 Be my friend and give me your hand
 Let's take off together
 And then we can live wherever we land

BRIDGE:

 Girl i need you
 Don't know what i would do
 Will you see the story through

It's a cruel world
 And i need somewhere to hide
 The time goes by and your still on my side
 Intro: chords till the end...

 Waiting
 Searching
 Turning over
 Running round in circles
 And i've worn myself out
 Hoping that we'll always be together
 yeah we'll always be together
