

## **Keane - Somewhere Only We Know**

```
Intro: (A A7 Bm E E )
i walked across an empty land
i knew the pathway like the back of my hand
\ensuremath{\text{\textbf{i}}} felt the earth beneath my feet
sat by the river and it made me complete
               Dbm
oh simple thing where have you gone
im getting old and i need something to rely on
             Dbm
so tell me when youre gonna let me in
im getting tired and i need somewhere to begin
             A7M
i came across a fallen tree
i felt the branches of it looking at me
                A7M
is this the place we used to love?
is this the place that ive been dreaming of?
oh simple thing where have you gone
im getting old and \ensuremath{\mathbf{i}} need something to rely on
so tell me when youre gonna let me in
im getting tired and i need somewhere to begin
so if you have a minute why dont we go
```

```
talk about it somewhere only we know
this could be the end of everything
so why dont we go
somewhere only we know?
somewhere only we know
oh simple thing where have you gone?
im getting old and i need something to rely on
              Dbm
so tell me when youre gonna let me in
\hbox{im getting tired and i need somewhere to begin}\\
and if you have a minute why dont we go
talk about it somewhere only we know?
this could be the end of everything
so why dont we go, so why dont we go
(Bm Dbm)(X2)
this could be the end of everything
so why dont we go
somewhere only we know
somewhere only know
somewhere only we know
```
