

Keane - Sovereign Light Café

Tom: Bb

(com acordes na forma de Capotraste na 1ª casa A)

I'm going back to a time when we owned this town

Down Powder Mill Lane, in the battlegrounds

We were friends and lovers and clueless clowns

I didn't know I was finding out now I'd be torn from you

When we talked about things we were gonna do

We were wide eyed dreamers and wiser too

Refrão:

We go down to the rides on East Parade,

By the lights of the Palace Arcade

Watch night coming down on the Sovereign Light Café

I'm begging you for some sign, but you've still got nothing to say

Don't turn your back on me, don't walk away

I'm a better man now than I was that day

Refrão:

Let's go down to the rides on East Parade,

By the lights of the Palace Arcade

Watch night coming down on the Sovereign Light Café

Let's go down to the bandstand on the pier

Watch the drunks and the lovers appear
Take time, just the stars at the Sovereign Light Café

Ponte:

I wheel my bike off the train,

Up the North Trade Road,

Look for you on Marley Lane

In every building, every streetlight

Oh why did we ever go so far from home?

You got nothing to hide, you can't change who you really are

You can get a big house and a faster car

You can run away boy, but you won't go far

Refrão:

Let's go down to the rides on East Parade,

by the lights of the Palace Arcade

Watch night coming down on the Sovereign Light Café

Let's go down to the bandstand on the pier

Watch the drunks and the lovers appear

Take time, just the stars at the Sovereign Light Café

Sha la la la la la yeh, yeah

I'm going where the people know my name

(D A E) (2x)
