

# Keane - Stupid Things

tom:  
 E  
 Friend, I've done something stupid again  
 A7M A7M  
 It's not that I don't love you, I do  
 A7M Dbm  
 It's just I made this black hole so blue  
 A7M  
 I've done something stupid again  
 E Abm  
 And now it's little lies and alibis  
 Dbm A  
 And the second phone. Can't make it home  
 B E  
 I'm working late. You know I hate  
 Dbm A  
 To miss the kids' bedtime again  
 E Abm  
 I drank too much, a working lunch  
 Dbm A  
 I'll crash in town so don't wait up  
 B E  
 If I don't text, my phone's just dead  
 Dbm A  
 I've got that thing, I'm sure I said?  
 B  
 And I know that you know and we both just play along  
 (pausa) E  
 Just one more stupid thing that I have... done  
 ( E A7M Dbm A7M )  
 E A7M Dbm  
 It starts, got money in your pocket at last  
 A7M E  
 Makes you think you're more than you are  
 A7M Dbm  
 You're just another sucker for the dream  
 A7M  
 No more or less than you have ever been  
 E Abm  
 But now it's little lies and alibis  
 Dbm A  
 And the second phone. Can't make it home
