

Keane - The Way I Feel

Tom: G

Well they said you were a bright child
 Never anything but joy behind your eyes
 No sign of all the dark clouds
 Spreading like volcanic dust over your blues skies
 Now they're looking for an answer
 Where the rot set in and set up the landslide
 But it only makes it worse now
 You're like a puzzle to be worked out
 And it's the voices in your head now
 Saying there's something wrong about the way I feel
 A broken link, a missing part, a punctured wheel
 And it's not what you're expecting
 The way the world you built loves to cut you down
 The way your head gets twisted
 And you sit up all night trying to figure it out
 And they say you've made your bed now
 Don't you see you've brought it on yourself
 And they say that you should move on
 But you can't even get your shoes on
 And it's the voices in your head now
 Saying there's something wrong about the way I feel
 A broken link, a missing part, a punctured wheel

It doesn't matter what you say now
 It's like some vision in the stars that seems so real
 The way I feel, the way I feel, the way I feel
 The way I feel, the way I feel, the way I feel
 (G F)
 And everyone else has got things sorted out
 You stand on the edge talking to yourself
 You're young, left behind and tangled up inside
 And it's not what you're expecting
 The way your head gets twisted
 And it's the voices in your head now
 (And it's the voices in your head now)
 And it's the voices in your head now
 Saying there's something wrong about the way I feel
 A broken link, a missing part, a punctured wheel
 It doesn't matter what you say now
 It's like some vision in the stars that seems so real
 The way I feel, the way I feel, the way I feel
 The way I feel, the way I feel, the way I feel
 The way I feel
 It's like some vision in the stars that seems so real
 The way I feel, the way I feel, the way I feel
 The way I feel, the way I feel, the way I feel
 The way I feel, the way I feel, the way I feel
 The way I feel, the way I feel, the way I feel
 The way I feel, the way I feel, the way I feel
