

Keane - We Might As Well Be

Tom: F

I don't know your face no more
 Or feel your touch that I adore
 I don't know your face no more
 It's just a place I'm looking for

We might as well be strangers in another town
 We might as well be living in a different world
 We might as well
 We might as well
 We might as well

I don't know your thoughts these days
 We're strangers in an empty space

I don't understand your heart
 It's easier to be apart

We might as well be strangers in another town
 We might as well be living in a another time
 We might as well
 We might as well
 We might as well be str - an - gers
 Be str - an - gers

For all I know of you now
 For all I know of you now
 For all I know of you now
 For all I know . . .
