

# Keane - We Might As Well Be

Tom: F

I don't know your face no more  
 Or feel your touch that I adore  
 I don't know your face no more  
 It's just a place I'm looking for

We might as well be strangers in another town  
 We might as well be living in a different world  
 We might as well  
 We might as well  
 We might as well

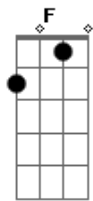

I don't know your thoughts these days  
 We're strangers in an empty space

I don't understand your heart  
 It's easier to be apart

We might as well be strangers in another town  
 We might as well be living in a another time  
 We might as well  
 We might as well  
 We might as well be str - an - gers  
 Be str - an - gers

For all I know of you now  
 For all I know of you now  
 For all I know of you now  
 For all I know . . .
