

Keane - You Are Young

Tom: C

C
Fearfull child, have faith in brighter days

F
Stay until this darkness fades away

C
Lie still beside me

F C
I'll hold you now, I'll hold you forever

C
Winter's hand will freeze your heart again

F
Doors will close, no time to start again

C F
Nothing is given, except the ties that hold us together

Am F
Lay down your load

Am F
'cause everyday it's gonna grow

C
And bask in the sunshine

F G C
Try to pay no mind, try to pay no mind at all

G
To all the things that you don't know

F
You've got time to realise

C
You're shielded by the hands of love

G
'cause you are young

C
Fading light may make a fool of me

F
Courage fail, strength slip away from me

C
Lie still beside me

F
And hold me now and hold me forever

Am F
Lay down your load

Am F
Because everyday it's gonna grow

C
These days are sacred

F G C
Hey now don't be scared, baby don't be scared at all

G
Of all the things that you don't know

F
You've got time to realise

C
You're shielded by the hands of love

G
Cause you are young

F
You've got time you've got to try

C
To bring some good into this world

G
'cause you are young

C
'cause you are young

F
Oh oh oh woah

C
Oh woah oh

F
Oh oh oh woah

C
Oh woah oh

F
Oh oh oh woah

C
Oh woah oh

F
Oh oh oh woah

C
Oh woah oh

F
Because you are young
