

# Keane - You Are Young

Tom: C

C  
Fearfull child, have faith in brighter days

F  
Stay until this darkness fades away

C  
Lie still beside me

F C  
I'll hold you now, I'll hold you forever

C  
Winter's hand will freeze your heart again

F  
Doors will close, no time to start again

C F  
Nothing is given, except the ties that hold us together

Am F  
Lay down your load

Am F  
'cause everyday it's gonna grow

C  
And bask in the sunshine

F G C  
Try to pay no mind, try to pay no mind at all

G  
To all the things that you don't know

F  
You've got time to realise

C  
You're shielded by the hands of love

G  
'cause you are young

C  
Fading light may make a fool of me

F  
Courage fail, strength slip away from me

C  
Lie still beside me

F  
And hold me now and hold me forever

Am F  
Lay down your load

Am F  
Because everyday it's gonna grow

C  
These days are sacred

F G C  
Hey now don't be scared, baby don't be scared at all

G  
Of all the things that you don't know

F  
You've got time to realise

C  
You're shielded by the hands of love

G  
Cause you are young

F  
You've got time you've got to try

C  
To bring some good into this world

G  
'cause you are young

C  
'cause you are young

F  
Oh oh oh woah

C  
Oh woah oh

F  
Oh oh oh woah

C  
Oh woah oh

F  
Oh oh oh woah

C  
Oh woah oh

F  
Oh oh oh woah

C  
Oh woah oh

C  
Because you are young
