

Keane - Your Eyes Open

Tom: G
Intro: Em C Am C

Well it's a lonely road that you have chosen
Morning comes and you don't want to know me anymore
And it's a long time since your heart was frozen
Morning comes and you don't want to know me anymore

Refrão:
For a moment your eyes open and you know
All the things I ever wanted you to know

I don't know you, and I don't want to
Till the moment your eyes open and you know

That it's a lonely place that you have run to
Morning comes and you don't want to know me anymore
And it's a lonely end that you will come to
Morning comes and you don't want to know me anymore

Instrumental: C Am C G D

Refrão:
For a moment your eyes open and you know
All the things I ever wanted you to know
I don't know you, and I don't want to
Till the moment your eyes open and you know
