

# Keane - Your Eyes Open

Tom: G  
Intro: Em C Am C

Well it's a lonely road that you have chosen  
Morning comes and you don't want to know me anymore  
And it's a long time since your heart was frozen  
Morning comes and you don't want to know me anymore

Refrão:  
For a moment your eyes open and you know  
All the things I ever wanted you to know

I don't know you, and I don't want to  
Till the moment your eyes open and you know

That it's a lonely place that you have run to  
Morning comes and you don't want to know me anymore  
And it's a lonely end that you will come to  
Morning comes and you don't want to know me anymore

Instrumental: C Am C G D

Refrão:  
For a moment your eyes open and you know  
All the things I ever wanted you to know  
I don't know you, and I don't want to  
Till the moment your eyes open and you know
