

# Keemo - Beautiful Lie

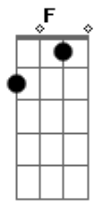

Tom: **Bb**

**F**  
**Eb**  
Yesterday, today, tomorrow  
photographs  
**F**  
Remember, forget  
**Eb**  
**F**  
The ways you make the moment pass  
I tell a beautiful lie  
**Eb** **G**  
And i would die if you find out  
**Gm7** **F**  
**Eb7** **F**  
I tell a beautiful lie every time that i did not open up my  
mouth  
**F**  
All the same, its a game  
**F**

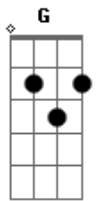

**F**  
Fade away like frozen  
The stakes, the ways you take  
**F**  
For every regret  
**F**  
I tell a beautiful lie  
**Eb**  
And i would die if you find out  
**Eb**  
I tell a beautiful lie every time that i did not open up my  
mouth  
**F** **Eb**  
Its a play, its a war  
A(slide) **F**

Its a shame that we're always fighting for I dont mean to  
cost no blame  
**Eb** **Bb** **F**  
I dont intend to pretend, i could never loved you more  
**Eb** **G** **Gm7**  
**F**  
But in the blink of an eye Everything you ever knew can  
change  
**F** **Eb**  
**Eb7** **F**  
And its a beautiful lie if you think everything will always  
stay the same  
  
Baby  
My baby  
You got a secret, it's starting to show  
My baby  
Sweet baby  
How long can you keep it?  
How far would you go?  
You tell a beautiful lie  
You tell a beautiful lie  
And its going to, its going to drive you crazy
