

Keep The Eternal - I Belong To You

Tom: **D**

Took me in Your great love

Took me as I am

Shining light in the hearts

Makes sense in this town

It's not of this world

It's not of this time

It was built a two thousand years ago

Chorus

I belong to You

You are God in me

Grace, abounding grace
Brings me to Your holy place

Pulled me in your majesty

I want You with all I am

Shining lights in the sky

Make sense in this town

It's not of this world

It's not of this time

It was built a two thousand years ago
