

Keiko Necesario - Forever Alive

Tom: Eb

(com acordes na forma de D)

Capostrate na 1ª casa

My hands would tremble in the dark
 You're the kind of trouble that would spark me up
 The sun is coming up the moon is going down
 As while as the stars in the night
 But you and i
 Are gonna be forever alive

nobody knows how much you love your mother
 As much as i do
 Cause you are only mine and i am yours

Nobody else knows about the records that we play when we dance
 Cause you are only mine and i am yours

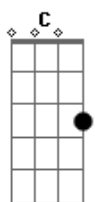

Oh i hear ensembles playing down
 My legs would start to wobble yeah
 As you walk on by
 The heat is fillin up and it would never stop
 As while as my love for you now
 Cause you and i
 Are gonna be forever alive

nobody knows how much you love your mother
 As much as i do
 Cause you are only mine and i am yours
 Cause you are only mine and i am yours
