

# Keith Urban - You'll Think Of Me

tom:  
 Capotraste na 2ª casa  
 Intro: G D Em C

Em C  
 I woke up early this morning 'round 4am  
 G D  
 With the moon shining bright as headlight on the interstate  
 Em C  
 I pulled the covers over my head and tried to catch some

Sleep  
 G D  
 But thoughts of us kept keepin' me awake  
 Am Em  
 Ever since you found yourself in someone else's arms  
 F  
 I've been trying my best to get along  
 But that's ok there's nothing left to say, but

G D  
 Take your records, take your freedom  
 Em  
 Take your memories, I don't need 'em  
 C  
 Take your space and take your reasons

But you'll think of me  
 G D  
 And take your cap and leave my sweater  
 Em  
 'Cause we have nothing left to weather  
 C  
 In fact I'll feel a whole lot better  
 G D  
 But you'll think of me, you'll think of me

Em C  
 I went out drivin' tryin' to clear my head  
 G D  
 I tried to sweep of all the ruins that my emotions left  
 Em C  
 I guess I'm feelin' just a little tired of this  
 G D  
 And all the baggage that seems to still exist  
 Am Em  
 It seems the only blessing I have left to my name  
 F  
 Is not knowing what we could have been, what we should have been, so

F Am Em  
 Someday, I'm gonna run across your mind  
 D  
 But don't worry I'll be fine I'm gonna be alright  
 F Am  
 While you're sleepin' with your pride

Em  
 Wishin' I could hold you tight  
 F  
 I'll be over you and on with my life
