

Kelly Clarkson - Catch My Breath

Tom: A
Intro: A E Gbm A D (Gbm)
A E Gbm D

I don't wanna be left behind
Distance was a friend of mine
Catching breath in a web of lies
I've spent most of my life
Riding waves playing acrobat
Shadowboxing the other half
Learning how to react
I've spent most of my time
Catching my breath, letting it go
Turning my cheek for the sake of the show
Now that you know this is my life
I won't be told what's supposed to be right
Catch my breath
No one can hold me back
I ain't got time for that
Catch my breath
Won't let them get me down
It's all so simple now
Addicted to the love I found
Heavy heart now a weightless cloud
Making time for the ones that count
I'll spend the rest of my time
Laughing hard with the windows down
Leaving footprints all over town
Keeping faith kinda comes around
I won't spent the rest of my life
Catching my breath, letting it go
Turning my cheek for the sake of the show
Now that you know this is my life
I won't be told what's supposed to be right
Catch my breath
No one can hold me back
