

Kelly Clarkson - Cry

Tom: C
Intro: Bb F Eb

Verse 1:

If anyone asks
I'll tell them we both just moved on
When people all stare
I'll pretend that I
don't hear them talk

Refrão 1:

Whenever I see you
I'll swallow my pride
and bite my tongue
Pretend I'm okay with it all
Act like there's nothing wrong

Refrão:

Is it over yet
Can I open my eyes
Is this as hard as it
gets Is this what it
feels like to really
