

# Kelly Clarkson - How I Feel

Tom: G

G  
Looks like I made a mess again  
Heart break everywhere I step  
This fire is getting hot again  
But I touch the flame 'cause I'm a curious cat  
Creeping where I don't belong  
Finding out what I knew all along  
Crying all alone  
And it's all my fault, all my fault

Am D C  
Yeah, I did it again...again

G D  
Oh, I'm getting tired of believing  
Am Am7  
Even sicker of pretending

C D  
That it's not so bad, just wait it out

G D  
Oh, I think you're feeding me lies again  
Am Am7 C  
The only good man left wasn't him

D G  
And that's how I feel right now so just let me be  
Let me be.

G  
It seems every time I find a good man  
He's got a good little wife  
I'm not jealous but I won't lie  
I don't want to hear about your wonderful life  
And babies everywhere I look  
Trophy wives with their little black books  
At this rate I'm gonna end up alone  
It's probably all my fault, all my fault

Am D C  
Oh! Another dead end...again

G D  
Oh, I'm getting tired of believing  
Am Am7  
Even sicker of pretending  
C D

That it's not so bad, just wait it out  
G D

C D Am  
Bitter pill that I've swallowed

C D Am  
Just how low can my heart sink

C D Am  
Fairy tales from so long ago

C D Am  
Save them for someone that's not smart enough to know

G D  
Cause I, I'm getting tired of believing

Am Am7  
I'm through pretending

C D  
Yeah I'm broken and sad so I'll sit this one out

G D  
Oh, I think you're feeding me lies again

Am Am7 C  
The only good man left wasn't him

D  
And that's how I feel right now
