

Kelly Clarkson - Invincible

Tom: Bb

(com acordes na forma de G)

Capostrate na 3ª casa

Intro: D Am C G

You know I was broke down
 I had hit the ground
 I was crying out
 I couldn't make no sound
 No one hears the silent tears collecting
 You know I had lost hope
 I was all alone
 Never been so low
 Til you came along
 Teacher I feel the dots connecting
 Beat down on me, beat down like a waterfall
 Cause I can take on so much more than I had ever dreamed
 So beat down on me, beat down like a waterfall
 Cause baby I am ready to be free
 Now I am invincible
 No I ain't a scared little girl no more
 Yeah I am invincible
 What was I running for
 I was hiding from the world
 I was so afraid I felt so unsure
 Now I am invincible
 And I'm a perfect storm
 Now I am a warrior, a shooting star
 Know I got this far, had a broken heart
 No one hears the silent tears collecting
 Cause it's being weak that's strong in the truth I found
 I have courage now, gonna shout it out
 Teacher I feel the dots connecting
 Beat down on me, beat down like a waterfall
 Cause I can take on so much more than I had ever dreamed

So beat down on me, beat down like a waterfall
 Cause baby I am ready to be free

Now I am invincible
 No I ain't a scared little girl no more
 Yeah I am invincible
 What was I running for
 I was hiding from the world
 I was so afraid I felt so unsure
 Now I am invincible
 And I'm a perfect storm

I was running from an empty threat
 Of emptiness
 I was running from an empty threat
 That didn't exist
 I was running from an empty threat
 Of abandonment
 I was running from an empty threat
 That didn't exist

Now I am invincible
 No I ain't a scared little girl no more
 Yeah I am invincible
 What was I running for
 I was hiding from the world
 I was so afraid I felt so unsure
 Now I am invincible
 And I'm a perfect storm

Now I am invincible
 No I ain't a scared little girl no more
 Yeah I am invincible
 What was I running for
 I was hiding from the world
 I was so afraid I felt so unsure
 Now I am invincible
 And I'm a perfect storm
