

# Kelly Clarkson - Maybe

Tom: G  
Intro: Em G Em G

Em G  
I'm strong but I break

Em G  
I'm stubborn and I make plenty of mistakes

Em  
Yeah, I'm hard

G  
And life with me is never easy

Em  
To figure out, to love

G  
I'm jaded but i'm so lovely

C  
All you have to do is hold me

G A  
And you know, and you see just  
How sweet it can be

C  
If you trust me,  
love me, let me, maybe

Em  
Maybe...

G Em  
Someday when we're at the same place

G  
Or we're on the same road when it's okay to hold my hand

C  
Without feeling lost without all these excuses

G A  
When it's just because you love me

C G A  
You let me you need me maybe maybe

C  
All you have to do is hold me

G A  
And to know and to see just how sweet it can be

C G  
If you trust me love me let me baby maybe

Em  
I'm confusing as hell yeah I'm north and south

A  
And I'll probably never have it all figured out

Em  
But what I know is I wasn't meant  
To walk this world without you

G  
And I promise I'll try I'm gonna try

C A  
To give you every little part of me

Em  
Every single detail you miss with your eyes

G  
And maybe, maybe yeah maybe

C A Em  
Yeah maybe, maybe yeah maybe maybe

G  
One day we'll be together

G  
You'll need me you'll see me completely

C A  
Every little bit of me oh and maybe you'll love, you'll love  
me then

C G  
I don't want to be tough and I don't wanna be proud

A  
I don't need to be fixed and I certainly don't need to be  
found

C G  
I'm not lost I need to be loved I just need to be loved

A  
I just want to be loved by you and I won't stop

A G Em  
Cause I believe that maybe yeah maybe

G Em G  
Maybe yeah maybe maybe maybe?

A  
I should know better than to touch the fire twice

C  
But I'm thinking maybe, yeah maybe you might

G A  
Maybe, love maybe
