

# Kelly Clarkson - Medicine

Tom: A

(com acordes na forma de G )  
 Capotraste na 2ª casa

Bet you won't like to hear that  
 Since we've been over, got that stress off my back  
 I'm livin' my life like a celebration  
 Changed up my vision like a revelation  
 You gave me fever love, but too much drama  
 And I ain't even worried 'bout it 'cause I'm too far gone now  
 Far gone now, oh yeah

I ain't even thinkin' 'bout you  
 I ain't even thinkin' 'bout you  
 Don't talk about ya  
 Almost forgot about you  
 Said, I ain't even thinkin' 'bout you  
 I ain't even thinkin' 'bout you  
 Don't talk about ya  
 Almost forgot about you

So watch out  
 'Cause your love's not allowed  
 You touch don't heal now  
 I'm good (ooh)  
 And I know without it I'm strong  
 Can't hold me down long  
 I'm not bothered anymore

Ya can't get me high  
 Never got me lit  
 Never bring me up  
 Always drag me down  
 I'm through with it  
 You ain't my medicine  
 Like, damn  
 Always felt so cold  
 Always felt so cold  
 Had to let that go  
 I'm better on my own  
 You ain't my medicine

You ain't my medicine  
 You ain't my med-  
 You ain't my med-  
 You ain't my medicine  
 You ain't my med-  
 You ain't my med-  
 You ain't my medicine  
 You ain't my med-  
 You ain't my med-  
 You ain't my medicine  
 You ain't my med-  
 You ain't my med-  
 You ain't my medicine  
 You ain't my med-  
 You ain't my med-  
 You ain't my medicine  
 So watch out

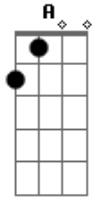

I gave you plenty chances  
 To hear my soul, but you just caused more damage  
 How does it feel to know I'm better off without you playin'  
 Games around my head a thousand times?  
 I almost damn near lost my mind

I ain't even thinkin' 'bout you  
 I ain't even thinkin' 'bout you

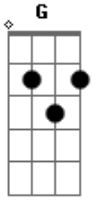

'Cause your love's not allowed  
 You touch don't heal now  
 I'm good (ooh)  
 And I know without it I'm strong  
 Can't hold me down long  
 I'm not bothered anymore  
 Ya can't get me high  
 Never got me lit  
 Never bring me up

Always drag me down  
 I'm through with it  
 You ain't my medicine  
 Like, damn  
 Always felt so cold  
 Always felt so cold  
 Had to let that go  
 I'm better on my own  
 You ain't my medicine
