

Kelly Clarkson - Sober

Tom: D

(intro) D A D

And I don't know
 This could break my heart or save me
 Nothing's real
 Until you let go completely
 So here I go with all my thoughts I've been saving
 So here I go with all my fears weighing on me

(chorus)
 Three months and I'm still sober
 Picked all my weeds but kept the flowers

(verse 2)
 And I don't know
 I could crash and burn but maybe

At the end of this road I might catch a glimpse of me

(chorus 2)
 Three months and I'm still breathing
 Been a long road since those hands I left my tears in but I know
 It's never really over, no

Wake up
 Three months and I'm still standing here
 Three months and I'm getting better yeah
 Three months and I still am
 Three months and I'm still breathing
 Three months and I still remember it
 Three months and I wake up

Three months and I'm still sober
 Picked all my weeds but kept the flowers
