

Kelly Clarkson - The War Is Over

Tom: G

I watch the days rush by me like a river
 I shouldn't wait, but I'm scared to touch the water
 I let the phone ring, why won't you believe me
 I wait for silence, takes a lot not to answer
 All I have to say is
 You don't deserve me, you don't deserve me
 I'm finally walking away
 Cause you don't deserve me, and you're not worthy

 And I won't let you pour me in
 Because I know you're gonna win
 (The war is over) but the war is over (The war is over)
 And I won't fight you anymore
 I never been so sure
 (The war is over) cause the war is over

 I used to let you paint a pretty picture
 You got me caught up with your, you're my girl forever
 So I forgive you, it felt good when you hold me
 Yeah you owned me
 Now you wish you had really known me

 All I have to say is
 You don't deserve me, you don't deserve me
 I'm finally walking away
 Cause you don't deserve me, and you're not worthy

 And I won't let you pour me in

Because I know you're gonna win
 (The war is over) but the war is over (The war is over)
 And I won't fight you anymore
 I never been so sure
 (The war is over) cause the war is over

 This is not my surrender
 I'm not running for cover
 I'm right here, I know you see me
 But your words no longer defeat me
 In the night, when you're lonely
 You remember how much you miss me
 So you call, but I swear
 You can try a million times, you'll get the same answer

 All I have to say is
 You don't deserve me, you don't deserve me
 I'm finally walking away
 Cause you don't deserve me, and you're not worthy

 And I won't let you pour me in
 Because I know you're gonna win
 (The war is over) but the war is over (The war is over)

 The war is over, The war is over
 The war is over
 The war is over
 The war is over
 The war is over
 The war is over
 The war is over
