

# Kelly Clarkson - You Found Me

Tom: E

Tuning: standard

Intro:

verse:

Is this a dream? If it is, Please don't wake me from this high

I've become comfortably numb, Until you opened up my eyes

To what it's like When everything's right I can't believe

CHORUS:

**Dbm B**  
 You found me  
**E A**  
 When no one else was lookin'  
**Dbm B E B**  
 How did you know just where I would be?  
**Dbm B**  
 Yeah, you broke through  
**E A**  
 All of my confusion  
**Dbm B**  
 The ups and the downs  
**E B**  
 And you still didn't leave  
**Gb A B**  
 I guess that you saw what nobody could see

You found me  
found me

2nd verse:

So, here we are That's pretty far When you think of where we've been

No going back I'm fading out All that has faded me within

You're by my side Now everything's fine I can't believe..

CHORUS:

**Dbm B**  
 You found me  
**E A**  
 When no one else was lookin'  
**Dbm B E B**  
 How did you know just where I would be?  
**Dbm B**  
 Yeah, you broke through  
**E A**  
 All of my confusion  
**Dbm B**  
 The ups and the downs  
**E B**  
 And you still didn't leave  
**Gb A B**  
 I guess that you saw what nobody could see  
**Dbm A**  
 You found me  
**E B**  
 You found me

**Dbm A**  
And I was hiding

**E**  
'Til you came along

**B**  
And showed me where I belong

Repeat CHORUS til end...

You
