To the mountain

To the river

To the valley

To my hometown

To my country

To the place where I was born

To my mother

To my father

To my sisters

And my brothers

To my friends and myself

And to those I love so well

To the place where I was born

To the heroes

That we need today

To the lonely

With noone to cry

To the mothers

This source of life

To the world and so much pain
