

Kelly Patrícia - Formosura

Tom: D

Intro: . Bm A Bm A

Formosura que excedeis

a todas formosuras!

Sem ferir, dor fazeis, e sem dor, desfazeis

o amor das criaturas.

Ó laço que assim juntais duas coisas desiguais,
 não desateis o que atais,

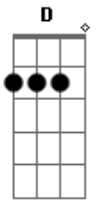

pois atando força dais a ter por bem todos os males.

Juntais, aquela que não é, com a plenitude acabada

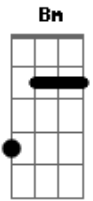

sem acabar, acabais, sem ter que amar, amais

engrandeceis o nosso nada! (2x)
