

Kelly Patrícia - Mãe do Carmelo

tom:

C

Mãe do Carmelo, do teu paraíso
 Oh dai-me um sorriso, de paz e candor
 Se eu na luta, vacile e gemente
 Tua mão me sustente, com santo valor
 Lua bela, de castos fulgores, grinalda de flores, de aroma
 imortal
 Tua graça, minha vida embalsame
 E o meu ser inflame, e o meu ser inflame

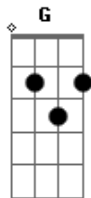

No amor celestial

Ao chamar-te, no escuro das ondas
 Brilhante respostas, estrela do mar
 Pois do mundo, fugindo as delícias
 Só tuas carícias, só tuas carícias, desejo gozar
 É teu filho, meu Sol nesta vida
 Ó mãe estremecida, aurora do ser
 Quando a clare, meu dia celeste
 (G)
 Jesus que me deste, Jesus que me deste, contigo hei de ver
