

Kelly Slater - Feelin' The Feelings (feat. Karina Zeviani & Pretinho da Serrinha)

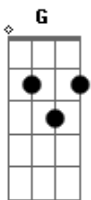

Tom: G

G D Am C D (2x)

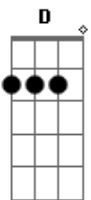

Breaking down
Paralyzed
With the thought of losing you
Oh what a mess I've made
Of my life
Terrified
To see what I'm standing in
Know this is you wishing
You know that I
I'm feeling the feelings again
You know that I
I'm feeling the feelings again
How could I
Justify
The way that I've treated you
Is there nothing that I can do
To make things right
In our lives
I'm down on my luck again
And oh what a fool I've been
To know that I
I'm feelin' the feelings again

To know that I
I'm feelin' the feelings again
Vou esperar
Dói demais
Preciso pensar em nós
Ouvir o meu coração
E você
Como vai
Viver por aí sem mim
Vagando de mar em mar
Vou chorar
Dormir, acordar, esquecer
You know that I
I'm feeling the feelings again'
Vou chorar
Dormir, acordar, esquecer
You know now I
I'm feeling the feelings again
I'm feeling the feelings again
You know that I
I'm feeling the feelings again
I know that you know, now I
I'm feeling the feelings again
You know now I
I'm feeling the feelings again
