

Kelsea Ballerini - Get Over Yourself

tom:

Intro: A E Gbm D

[Primeira Parte]

A E You saw me drive by your place last Friday
 Gbm D But don't make too much of it, it's just on my way home
 A E I didn't see the picture that you posted in this bar
 Gbm D And when I pulled into the parking lot, I didn't see your car

[Pré-Refrão]

A E You can tell your friends it's all on purpose
 Gbm D That I'm the crazy ex that wrecks your life
 A E But there's no intentions underneath the surface
 Gbm D So don't go reading anything between the lines

[Refrão]

A E 'Cause I'm over you and everything that we used to do together

Gbm D My Saturday nights are brighter, I've never felt better
 I didn't miss a beat when I heard you were seeing somebody else

A E And I'm over you thinking that every move that I'm making

E Is just a game that I'm playing because my heart is still breaking

Gbm D Boy, I'm over you

I'm over you

A E So get over yourself, yeah
 Gbm D

So get over yourself

[Segunda Parte]

A E You think all I do is talk about us

Gbm D And that the new boy I show off is only out of spite

A E You're so in your head about it, you can't get your heart
 Gbm D around it

But boy, I'm over you, I'm over you

[Refrão]

A E I'm over you and everything that we used to do together
 Gbm D My Saturday nights are brighter, I've never felt better
 I didn't miss a beat when I heard you were seeing somebody else

A E And I'm over you thinking that every move that I'm making
 Is just a game that I'm playing because my heart is still breaking

Gbm D Boy, I'm over you

I'm over you
 A E So get over yourself
 Guess what else?

E Took all your pictures down off of my shelf
 Gbm D And I don't care enough to hate you so I even wish you well, boy

[Ponte]

A E So you can tell your friends I do it all on purpose, yeah
 Gbm D That I'm the crazy ex that wrecks your life

[Refrão]

A E But I'm over you and everything that we used to do together
 Gbm D My Saturday nights are brighter, I've never felt better
 I didn't miss a beat when I heard you were seeing somebody else

A E And I'm over you thinking that every move that I'm making

E Is just a game that I'm playing because my heart is still breaking

Gbm D Boy, I'm over you

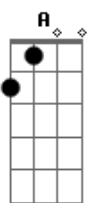

I'm over you
 A E So get over yourself, yeah

Gbm D So get over yourself

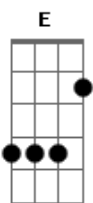

D 'Cause I'm over you

A So get over yourself
