tom:

 Intro: Am Em C F
 Am Em C F

Am Em F C
 I don't wanna be another skeleton in your closet

C
 Another rose that you throw, 'cause you know that it ain't
 okay

Am Em F C
 Just a name on a stone in a row down the road forgotten

C
 'Cause I was falling fast, now I'm just a dash between two
 dates

Am Em
 And I don't wanna be another heart in your graveyard

F C
 In the cold, hard dirt that you throw down

Am Em F C
 I don't wanna watch you drive away in a black car to a new bar

So you can find another hopeless, broken girl in a little
 black dress

F C Am Em
 And you take her, break her, lay her heart to rest in peace

C Am Em F C
 Right here next to me

Am Em F C
 Maybe I was naive to believe you would never hurt me

Am Em F C
 But now I know why you hide in your darkest suit and shades

C
 You put on a show, so nobody knows your hands and your shoes
 are dirty

Am Em F C
 I guess you don't need a shovel to dig a grave

[Refrão]

Am Em
