

Kelsea Ballerini - I Hate Love Songs

tom:

Intro: B Dbm E B

I hate Shakespeare and Gosling and
 Cakes with white frosting
 Two names in a heart-shaped tattoo
 I think cupid is stupid and violets
 Are purple not blue
 I hate catching bouquets, the honeymoon phase
 And letterman jackets don't fit
 Your eyes can't hold stars and you'd die
 If your heart really skipped

I hate love songs
 Yeah, I really do
 I hate love songs
 But I love you

I hate pink hearts with glitter and
 Valentine's dinner
 And roses just die in a week
 We were drunk when we met
 So we don't know our anniversary
 And I'm far too vain to kiss in the rain
 The clouds, they aren't numbered to nine

And you make me feel something but it sure
 As hell ain't butterflies

I hate love songs
 Yeah, I really do
 I hate love songs
 But I love you

(B Dbm E Dbm B)

And I'll always love you but
 I don't have to sing it
 "For worse or for better" don't rhyme
 They say I got the right one so now
 I should write one
 But I'd rather just show you tonight

I hate love songs
 Yeah, I really do
 I hate love songs
 But I love you

I hate love songs
 The old and the new
 I hate love songs
 But I love you
