 Intro:

**D**  
 The night is young and so are we, so you what you say  
**G**  
 We go and see it all for ourselves?  
 Yeah, yeah  
**D**  
 There's a spot I know down the road we can go  
**G**  
 Only me and you and no one else  
 Yeah, yeah  
**Bm**  
 I ain't looking for a crowd  
**Em7**  
 Another night on the town  
**G**  
 I want a one way ticket where the creek and crickets  
 Are the only sound

**D**  
 So baby, pick me up, I'll be in the drive  
**Em7**  
 Take me where the moon's hanging in the sky  
**Bm**  
 We can park it by the river, get out and throw the tailgate  
 down down down  
**D**  
 You can steal a kiss, maybe even two  
**Em7**  
 Only the track and the trees gonna see what we do  
**Bm**  
 All I wanna be is wrapped in your arms, laying in the dark  
 Looking at stars  
 ( D )

**D**  
 We can rename constellations while we're making wishes  
**G**  
 Don't it make you feel so small?  
 Yeah, yeah  
**D**  
 We can talk about forever for a minute, maybe never  
**G**  
 Just kiss and say nothing at all  
 Yeah, yeah  
**Bm**  
 Baby, hurry up and get here

**Em**  
 So we can disappear  
**G**  
 The clouds are breaking, don't keep me waiting  
 Never seen a night this clear

**D**  
 So baby, pick me up, I'll be in the drive  
**Em7**  
 Take me where the moon's hanging in the sky  
**Bm**  
 We can park it by the river, get out and throw the tailgate
