

Kelsea Ballerini - Roses

tom:

G

You brought them to my door, stood there on the front porch

G

That was the beginning, we had those tires spinning

D

Down on the green grass, outside of town, wild and free, never slowing down

Bm

I thought I needed you like air, we burned hot burned out like a flame

A

But in my head, you'll never fade

D

Yeah, we were classic, my dress, your leather jacket

G

Didn't know how good we had it, but, boy, we had it

A

14th of February, kinda feeling my heart still carries

Bm

Yeah, we didn't know it, thought we could grow it

D

G

Beautiful for a moment, we were roses, we were roses

D

Put one into my hair. danced in the middle of nowhere

G

You and me all summer, bright and living color

A

My lips were red, your eyes were blue

Bm

And I thought I saw forever in you

A

D

Yeah, we were classic, my dress, your leather jacket

G

Didn't know how good we had it, but, boy, we had it

G

But seasons had to change

A

Like flowers we bloomed and withered away

D

Yeah, we were classic, my dress, your leather jacket

G

Didn't know how good we had it, it was so good while it lasted

D

Yeah, we were classic, my dress, your leather jacket
