

Kelsy Karter - Liquor Store On Mars

tom:
E
[Primeira Parte]
E Abm
There's no room on the freeway
Dbm
That's where we drove your car
E Abm
There's no seats at the?movies
Dbm
That's?where we watched?the stars
E Abm Dbm
And there's a guy at?this party with hair just like you

Ooh
E Abm
There's no room at this party
Dbm
Where should I move?

[Pré-Refrão]

A E
Maybe New York or somewhere up the coast
B Dbm B
London or Paris, nah, I hate the cold
A E
Seems to be everywhere I wanna go
B
Is still too close to you

[Refrão]

A E
I hope there's a liquor store waitin' on Mars
Dbm B
With cheap cigarettes you can light with the stars
A E
'Cause that's how far I'll have to go
Dbm B
To see you and not say hello

[Segunda Parte]

E Abm
Nothing good on the airwaves
Dbm
Just all our favourite songs
E Abm Dbm
No more space on this planet, uh
E Abm Dbm
There's a girl at this party that kissed me like you

Ooh
E Abm

Acordes

Get me out of this party
Dbm
I've gotta move

[Pré-Refrão]

A E
Maybe New York or somewhere up the coast
B Dbm B
London or Paris, nah, I hate the cold
A E
Seems to be everywhere I wanna go
B
Is still too close to you

[Refrão]

A E
I hope there's a liquor store waitin' on Mars
Dbm B
With cheap cigarettes you can light with the stars
A E
'Cause that's how far I'll have to go
Dbm B
To see you and not say hello

A E
I hope there's a liquor store waitin' on Mars
Dbm B
With cherry ice cola to cool down my heart
A E
'Cause that's how far I'll have to go
Dbm B
To see you and not say hello

(And get myself over you)

[Refrão]

A E
I hope there's a liquor store waitin' on Mars
Dbm B
With cheap cigarettes you can light with the stars
A E
'Cause that's how far I'll have to go
Dbm B
To see you and not say hello

A E
I hope there's a liquor store waitin' on Mars
Dbm B
With cherry ice cola to cool down my heart
A E
'Cause that's how far I'll have to go
Dbm E
To get myself over you
