

Kenneth Wells - I Can't Stop

tom:
 I can't stop, stop a crying?
 Crying over you, girl?
 Cause yo took my love when you went away?
 Drowning my whole world?
 I can't stop stopping laughing?
 Laughin over this fool boy?
 Cause he went ahead?
 And he let his heart
 Get bossed around? and tossed around like a toy?
 Even though you made a fool of me?
 I sit here waiting so foolishly?

How much i love kids? if you be?
 I cant stop, stop loving?
 Loving everything about you, girl? (can stop this hard)
 No when i can stop this tears?
 (Fm Bbm Cm Db Eb)
 I can't stop stopping? loving?
 Loving anything about you, girl?
 Oh, but im still i cant stop this tears
 Listen to the beat of my heart?
 Listen to the beat of my homemade?
 And i can't stop these tears?
