

# Kenny Chesney - Beer In Mexico

Tom: D

Chords: D D G Em A

<sup>D</sup> Starin' out into the wild blue yonder  
<sup>G</sup> So many thoughts to sit and ponder  
<sup>D</sup> 'Bout life and love and lack of  
<sup>G</sup> And this emptiness in my heart  
<sup>D</sup> Too old to be wild and free still  
<sup>G</sup> Too young to be over the hill  
<sup>D</sup> Should I try to grow up  
<sup>D</sup> But who knows where to start

Chorus

So I'll just ...  
<sup>D</sup> Sit right here, have another beer in Mexico  
<sup>D</sup> Do my best to waste another day  
<sup>D</sup> Sit right here and have another beer in Mexico  
<sup>Em</sup> Let the warm air melt these blues away

<sup>D</sup> Sun comes up and sun sinks down  
<sup>G</sup> And I seen 'em both in this tourist town  
<sup>D</sup> Up for days in a rage  
<sup>G</sup> Just tryin' to search my soul

<sup>D</sup> From the answers and the reasons why  
<sup>G</sup> I'm at these crossroads in my life  
<sup>D</sup> And I really don't know  
<sup>D</sup> Which way to go  
 Chorus  
 So I'll just ...  
<sup>D</sup> Sit right here, have another beer in Mexico  
<sup>D</sup> Do my best to waste another day  
<sup>D</sup> Sit right here and have another beer in Mexico  
<sup>Em</sup> Let the warm air melt these blues away

Bridge

Maybe I'll settle down, get married  
 Or stay single and stay free  
 Which road I travel  
 Is still a mystery to me

Chorus

So I'll just ...  
<sup>D</sup> Sit right here, have another beer in Mexico  
<sup>D</sup> Do my best to waste another day  
<sup>D</sup> Sit right here and have another beer in Mexico  
<sup>Em</sup> Let the warm air melt these blues away  
 Down in Mexico? D D G
