

# Kenny Chesney - Beer In Mexico

Tom: D

Chords: D D G Em A

D D  
Starin' out into the wild blue yonder  
G  
So many thoughts to sit and ponder  
D  
'Bout life and love and lack of  
G  
And this emptiness in my heart  
D D  
Too old to be wild and free still  
G  
Too young to be over the hill  
D  
Should I try to grow up  
D G  
But who knows where to start

Chorus

So I'll just ...  
D D G  
Sit right here, have another beer in Mexico  
D D G  
Do my best to waste another day  
D D G  
Sit right here and have another beer in Mexico  
Em A G  
Let the warm air melt these blues away

D D  
Sun comes up and sun sinks down  
G  
And I seen 'em both in this tourist town  
D D  
Up for days in a rage  
G  
Just tryin' to search my soul

D D  
From the answers and the reasons why  
G  
I'm at these crossroads in my life  
D  
And I really don't know  
D G  
Which way to go  
Chorus  
So I'll just ...  
D D G  
Sit right here, have another beer in Mexico  
D D G  
Do my best to waste another day  
D D G  
Sit right here and have another beer in Mexico  
Em A G  
Let the warm air melt these blues away

Bridge

Em D  
Maybe I'll settle down, get married  
G D  
Or stay single and stay free  
Em D  
Which road I travel  
G A  
Is still a mystery to me

Chorus

So I'll just ...  
D D G  
Sit right here, have another beer in Mexico  
D D G  
Do my best to waste another day  
D D G  
Sit right here and have another beer in Mexico  
Em A G  
Let the warm air melt these blues away  
Down in Mexico? D D G
