Kenny Chesney - I Finally Found Somebody

Tom: A

VERS<mark>E</mark> I

```
I finally found somebody who lives to give
            D
                     A
Their love to me, only me. She takes away my
Worries, shows me how true love's meant to be.
What a relief.
CHORUS I
     Е
Now love don't hafta be a ball and chain or
D
                    Α
Somebody pullin on a puppy string, danglin'
                                   D
Ya around like ya got no mind at all. Love
Don't fade when the dark days come, it hangs
                Α
In tough til it sees the sun and I finally
              D
                            Bm
Found somebody who lets that love light shine
   Α
On through.
```
