

Kenny Chesney - Never Gonna Feel That Way Again

```
Intro: E B Dbm B A
VERSE 1:
Friday night butterflies,
Like clockwork they arrived.
A little chill in an October sky.
Nervous til the kickoff came.
Four quarters win or lose,
Spent Saturady black and blue.
Well it was what I loved to do
And it was more than just a game.
CHORUS 1:
It was my life and it was fun.
             В
Another season of my life is done.
Another race I'm glad I got to run.
Another chapter of my life is over.
No, I'm never gonna feel like that again.
Time's rushin' by me like the wind.
           В
Never be as young as I was then,
                   В
No I'm never gonna feel like that again.
VERSE 2:
Practice dancin' in my garage.
Two left feet and a white corsage.
Daddy let me borrow the dodge,
Said "don't bring her home on empty".
