VERSE 1:

She's got every quality
From A all the way to Z
It's easy to see she's the perfect girl
She's got every single thing
That makes up my wildest dreams
Sometimes I still can't quite believe she's holding me cuz

She's got it all my heart my soul my wishes
All of my love my hugs my kisses
Everything that means anything at all
All my life I been hopin'
I could give someone such devotion
Every sweet memory I can recall
She's got it all

VERSE 2:

You know that I admit
Someone to love like this
Only existed in my prayers

Until I saw her face
I knew I found the place
Where I could keep every faith eternally cuz

CHORUS:

She's got it all my heart my soul my wishes
All of my love my hugs my kisses
Everything that means anything at all
All my life I been hopin'
I could give someone such devotion
Every sweet memory I can recall
She's got it all

OUTRO CHORUS:

All my life I been hopin'
I could give someone such devotion
Every sweet memory I can recall
All my heart my soul my wishes
All of my love my hugs my kisses
Every sweet memory I can recall

She's got it all
