

# Kenny Chesney - Whatever It Takes

Tom: Bb

(com acordes na forma de G )

Capostrate na 3ª casa

Intro: G

Well, I've been drawing little hearts in the morning paper

Lookin' for a house an' a couple of acres

You'll be mine sometime, sooner or later and I can't wait

Like a busy ol' bee savin' up it's honey  
Honey I'm savin' up all my money

To have you I'll do anything I have to,

Whatever it takes

Whatever it takes to win your love  
I'll hire me an airplane, have it paint your name

up in the sky above

I'll tell the world I'm yours, put it on a billboard

out on the interstate

If it takes forever to get us together

Honey I'll do whatever it takes

Well I've been yellin' your name from a lookout mountain

Tossing my pennies in a downtown fountain

Makin' my wishes I'm hopin' they're countin' for loves sake

I'll swear upstream in a ragin' river

Walk through fire til you get the picture

I swear I'll bare anything to get there

Whatever it takes
