

Kenny Rogers - She Believes In Me

```
Intro: G C Cm G
While she lays sleeping
I stay out late at night and sing my songs
G Am7 D7 D Bm7
And sometimes all the nights can be so long
    Em7
                                Am7
And it's good when I finally make it home -
All alone
    D7
            G
While she lays dreaming
    G7
I try to get undressed without the light
G Am7 D7 D Bm7
Then she quietly says how was your night
 Em7
And I come to her and say it was all right -
     G D7sus4
And I hold her tight
       G G
And she believes in me
                      F#m7-
G G
I'll never know just what she sees in me
                     Em Em7
I told her someday if she was my girl
Em7 Em Am7
I could change the world with my little songs -
    D
I was wrong
    G G
But she has faith in me
   G
               F#m7-
```

```
And so I go on trying faithfully
And who knows, maybe on some special night
Em7 Em7 Em
If my song is right
     Am7
I will find a way
D7sus4
Find a way . . .
While she lays waiting
            G7
I stumble to the kitchen for a bite
G Am7 D7 D Bm7
Then I see my old guitar in the night
Em7 Am7

Just waiting for me like a secret friend -
     D7sus4
And there's no end
   D7 G
While she lies crying
      G7
I fumble with a melody or two
G Am7
                    D7 D
Then I'm torn between the things that I should do
      Em7
                                 Am7 D7 G
Then she says to wake her up when I am through
                   D7sus4
God her love is true
Chorus
        G
             C
                    Cm
While she waits, while she waits for me
```
