To me  
 You are the hand that i reach for  
 When i've lost my way  
 To me  
 You are the first star of evening  
 The sun that warms my day  
 Just as sure as i'm sure

There's a heaven  
 This was meant to be  
 No road is too long  
 As long as you belong  
 To me  
 To me  
 You are the truth i believe in  
 I believe in you  
 To me  
 you are the love i have looked for  
 My whole life through
