

kenzie - Anatomy

tom:
 C
 You called me today, on a random Tuesday
 Am F
 Don't ask me why I still have your number saved
 C G
 Hello stranger, it's been forever
 Am F
 You're acting normal, but nothing's normal about
 C G
 Trust issues, and soaking tissues
 Am F
 Lyin' to my sister, and sayin' "I don't miss you"
 C G
 With no closure, just getting older
 Am F
 But you still see me as a kid on your shoulders
 Dm G
 It's just anatomy, you're only half of me
 C E F
 But still you don't know me at all
 Dm G
 You've been my missing piece, so why aren't you missing me?
 C E F
 Guess I meant less than I thought
 Dm F
 It's just anatomy
 Fm

Hate that you're half of me

C G
 I hate when people say that our noses are the same
 Am F

 C G

 Am F
 Now I'm with somebody good, but I'm still feeling numb 'cause
 of
 C G
 Trust issues, I'm soaking tissues
 Am F
 Lyin' to my sister, like "I never miss you"
 C G
 Say you'll visit, empty promise
 Am F
 God, I wish that for once you'd be honest
 Dm G
 It's just anatomy, you're only half of me
 C E F
 But still you don't know me at all
 Dm G
 You've been my missing piece, so why aren't you missing me?
 C E F
 Guess I meant less than I thought
 Dm F
 It's just anatomy
 Fm
 Hate that you're half of me
